Discussion was had regarding the starting of the 10km walkers first, followed by the 10km runners, and then the 5km walkers and runners, in an attempt to eliminate the long wait at the end of the event for prize giving. Date is set for Sunday 4th November.
- **Guest Speaker Evening.** Marcus Akuhata-Brown has now been booked for the day and evening on Wednesday 8th August. He will have a session with the whole school, the Te Reo students, and in the evening for others in the community that might want to listen to his motivational speech. Maree to check in with Ari Carrington, who was going to make contact with the Takahiwai Marae, Bream Bay Community Trust and the Patuharakeke Trust Board to see if they were interested in helping costs. Shaz to approach the local Lions groups, now we have a confirmed date, to see if they might like to help with the costs as well.
- **Working Bee.** We haven’t had the most clement weather lately, but when it settles, we will set a date to spread another trailer load of bark on the gardens.
